

Bachelor of Science with a Major in Integrative Studies

Information Sheet designed for students transferring from the College of Business (not an official degree plan.) Students must first attend an Integrative Studies session with a CAS counselor in order to begin the process of declaring this major.

The Bachelor of Science with a Major in Integrative Studies is an excellent option for students coming from the College of Business! Integrative Studies graduates have many career options within the Business industry, such as HR, finance, sales, banking, and logistics. See your Academic Counselor and the Career Center for more information. The BS in Integrative Studies is a major where students choose 3 fields of study and take 12 hours in each field. At least 9 hours in each field must be taken at the advanced level (3000 or 4000 level.)

College of Arts and Sciences Field	Business Field	3 rd field

↓ Recommendations: COMM, ECON, ENGL, HIST, PSCI, PSYC, SOCI	↓ Recommendations: Courses from any department in the College of Business may be used toward a Business field.	↓ Recommendations: COMM, ECON, INST, LTEC, SOCI CMHT (MDSE, HMG, etc.)
--	--	---

★ = Course must be taken at the advanced level (3000 and 4000 level)

Major Requirements:

- 36 advanced hours in 3 fields of study (at least 9 advanced hours each)
- Students cannot complete 2 fields from the same College or School with the exception of CAS
- Students are responsible for course pre-requisites, but not pre-major courses
- Grade of "C" or better is required in all courses used in the 3 fields

Integrative Studies majors can also earn minors or Undergraduate Certificates. Please note: courses cannot apply toward both an Integrative Studies field and a minor, but courses can double-dip between an Integrative Studies field and an academic certificate.

Undergraduate Certificates that may be of interest:
